

# INDUSTRIOUSNESS

Application exercise:

Industriousness is defined as skillful, ingenious, and persistently active. How is this different than hard work?

-----  
-----  
-----

How did you learn to be industrious? Who was your most important teacher of this vital lesson?

-----  
-----  
-----

How does one of Coach Wooden's favorite maxims: "Do not mistake activity for achievement" apply to this important success block of Industriousness?
