

Initiative and Teamwork

Describe a team or group you were or are part of where individuals were/are encouraged to take action individually (initiative) yet an environment of teamwork and team spirit was/is maintained.

How was/is that accomplished? What was/is the result? Be as specific as you can.

Is there a team or group that you are part of that is suffering from a lack of initiative or team work? Can you improve the situation? How will you do it?
