

## Culture Is What You Do

As a practical matter what does the expression “Culture Is What You Do” mean to you? What are some practical examples?

---

---

---

Describe a team (work or sports) where “*everybody’s role is/was valued*”. How was that accomplished? What was the impact?

---

---

---

What can you do specifically to acknowledge people who don’t get as much appreciation or recognition as others?
