

**“Good Character Creates Good Instinct.”**

What does the idea “*Good Character Creates Good Instinct.*” mean to you?

---

---

---

If somebody else’s instinct goes against “conventional wisdom” what criteria would you use to go along with it or not?

:

---

---

---

Applying your principals give an example of when going along with somebody else’s “great idea” has worked out or not. How did that person’s character impact the result? Be specific.
