

## You Don't Have to Be Designated A Leader To Become One

What does the idea "You Don't Have To Be Designated A Leader To Become One" mean to you?

---

---

---

Describe a time when you or somebody you know took a leadership role in a difficult situation although they officially weren't designated as a the "leader".

---

---

---

How does this fit in with "We expect leadership from everyone"? What does that mean? How is that possible?
