

**“New Ideas Should Come From Everybody”**

What does the phrase: *“New Ideas Should Come From Everybody”* mean to you?

---

---

---

Describe a person you worked with who created an environment where all members of the team came up with new ideas. How did they do that? If possible, give an example.

---

---

---

What behaviors by a leader would have a negative impact on creating an environment where everybody on the team came up with new ideas? If possible, give a specific example.
