

## "Seven Levels of Collaboration"

| What does the idea "Seven Levels of Collaboration" mean to you?                                                                                        |
|--------------------------------------------------------------------------------------------------------------------------------------------------------|
|                                                                                                                                                        |
|                                                                                                                                                        |
| What are some examples of detailed behaviors that create better collaboration?                                                                         |
|                                                                                                                                                        |
|                                                                                                                                                        |
| What can you do personally to improve your ability to collaborate and encourage better collaboration by others in your personal and professional life? |
|                                                                                                                                                        |
|                                                                                                                                                        |
|                                                                                                                                                        |
|                                                                                                                                                        |
|                                                                                                                                                        |
