

Embrace Innovation and Encourage Resourcefulness

What does: *"It is what you learn after you know it all that counts."* mean to you? Please give a practical example.

What does: *"When everyone thinks alike, no one thinks."* mean to you? How does it fit in here?

What does: *"Wisdom, like the wind, blows on unused, except for those who know the art of sailing."* How do these three ideas fit in with: *Embrace Innovation and Encourage Resourcefulness*? If you can give a practical example.
