

**You may be deceived if you trust too much, but you will be in torment if you do not trust enough.**

What does this statement mean to you? Does it have value ...Why?

---

---

---

Give an example of a situation when you *trusted too much* and were deceived.

---

---

---

What was the final result? What did you take away from the experience? Did it change your approach with other people in subsequent situations?
