

***Respect and Affection for the Head Coach?***

Do you think a good boss or head coach needs to have both the respect and affection of team members? Why or why not on each?

---

---

---

Describe somebody you had as a boss or coach who had your respect? What were the key characteristics this person had?

---

---

---

Describe somebody you had as a boss or a coach who you didn't respect? What were the character traits or behaviors this person had or lacked that made you lack respect for that person?
