

### **“How to Build a Great Team”**

If you took over a team what steps would take to get the best results?

---

---

---

What does the term “Native Genius” mean to you? What is yours?

---

---

---

Given that sometimes people don't know what their “Native Genius” is, how would you help them realize it, build on it and leverage that to build a great team. Please give a specific example.
